

# women in Motion

Are you keen to *expand* your network?

Would you like to *understand* more about yourself?

Do you want to *improve* your business skills and set personal goals?

Are you under the age of 36 and would like to be a *Leader of tomorrow*?

## During the **class** you will:

- Understand how best to embrace the fear and kick the guilt
- Recognise what you need to do to balance your life
- Enjoy personal one-on-one interaction with influential women leaders and other captains of industry
- Define your personal or business goals for a sustainable way forward
- Gain networking skills and develop lasting relationships
- Benefit from tips on personal presentation
- Enjoy delicious snacks, lunch and refreshments while you network

① A ticket to *Women in Motion* would make a Christmas gift for your staff!

① You can claim back the cost of the ticket from your *SETA*.

This is your opportunity to participate in a learning experience specially designed for women, second to none! Learn from women leaders who have years of knowledge and experience to share, and network with other young women who are passionate about developing themselves.

This exciting new class is brought to you by  
**ceo magazine**

It aims to support women in business and those who want to meet other like-minded forward-thinking women.
